CORPORATE BUSINESS CREDIT CARD ACCOUNT DISCLOSURES

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT: To help the government fight the funding of terrorism and money laundering activities. Federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account.

What this means for you: When you open an account, we will ask for your name, address, date of birth and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

CARDHOLDER AGREEMENT: The Business Applicant will be bound by the terms of the Cardholder Agreement, which will be delivered to the Business Representative on behalf of the Business Applicant. Federal law, and to the extent not preempted, Georgia law will govern the Cardholder Agreement and the account (without regard to internal principles of conflict of laws).

ARBITRATION AGREEMENT: (Agreement to Arbitrate): Arbitration is a method of deciding disputes outside the court system. The Cardholder Agreement will include an Arbitration Provision (the "Provision"), which governs (i) when and how any disputes will be arbitrated instead of decided in court and (ii) changes in the terms of the Provision."
